Grade 10 - Alcohol, Tobacco or Other Drugs

Unit 3

SOLs:

10.1.H Evaluate the causal relationship between tobacco, alcohol, inhalant, and other drug use and chronic disease.

Title: Celebrity Death

Objectives/ Goals:
- Students will use the website evaluation tool to evaluate the validity of two websites that contain drug and alcohol information and two that contain information about their celebrity.
- Using the valid information, students analyze the celebrity’s susceptibility to injury, illness, or death as a result of the drug use.

Materials:
- Slideshow of celebrities

Procedure:
<table>
<thead>
<tr>
<th>Step 1</th>
<th>To grab the attention of the students, prepare a <strong>PowerPoint</strong> of celebrities and sample videos of their work, who died as a result of drugs and alcohol. After the power point, students select a celebrity to research.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Essential Questions:</td>
<td></td>
</tr>
<tr>
<td>Step 2</td>
<td>● Assign each student one of the <strong>dead celebrities</strong> to complete the assignment</td>
</tr>
<tr>
<td>Step 3</td>
<td>● Using the <strong>website evaluation tool</strong>, students will use the website evaluation tool to evaluate the validity of two websites that contain drug and alcohol information and two that contain information about their celebrity. (3.12.1)</td>
</tr>
<tr>
<td>Step 4</td>
<td>● Students will <strong>research</strong> a dead celebrity then assume their “identity” during the Diner portion of the unit to celebrate their achievements and discover how drugs and alcohol contributed to their death.</td>
</tr>
<tr>
<td>Step 5</td>
<td>Provide a <strong>tombstone template</strong>. Students use the valid drug/alcohol and celebrity information to create the information on the tombstone and share it during the celebrity diner portion of the lesson. See the self-check for details (3.12.1, 1.12.8)</td>
</tr>
<tr>
<td>Step 6</td>
<td>Set up the classroom for a panel discussion. Arrange the seats in a semi-circle. Place two large tables in the front of the circle. Students assume the identity of their celebrity for the entire period. Call six celebrities up at a time. Each celebrity introduces him or herself. Ask questions</td>
</tr>
<tr>
<td>Sample questions to ask: (Suggested text)</td>
<td>★ Show a video clip of your work. ★ What was your greatest professional accomplishment? ★ How old were you when you died?</td>
</tr>
</tbody>
</table>
based on the student’s research. After each group answers the questions, six new celebrities come to the front.

Provide tea, hot chocolate, and animal crackers to give the room a more diner-like feel.

<table>
<thead>
<tr>
<th>Step 7</th>
<th><strong>Closure: (Suggested text)</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>For the last few days, we researched many talented people whose lives were cut short due to drugs and/or alcohol. They were talented people and had friends and family who loved them. Now imagine if your life were cut short due to drugs and/or alcohol. Think of the people you would leave behind and the dreams that would never get to come to fruition because your life was cut short.</td>
</tr>
</tbody>
</table>

★ Tell me about your family. Was there drug or alcohol use in your family?
★ Tell me 5 facts about yourself before you were famous.
★ Tell me about your drug/alcohol use.
★ What facts did you know about your drug/alcohol when you were using it? (3.12.1)
★ Did you think you were susceptible to addiction when you first started using drugs? (1.12.8)
★ What were the circumstances of your death?
★ If you had another chance at life, would it include drugs/alcohol? (3.12.1, 1.12.8)
★ If you were alive today and you were drug and alcohol free, how would your work be different? (3.12.1, 1.12.8)
(7.12.3)

On your personal tombstone, select a commonly used drug and reflect on healthy ways of coping with drug and alcohol use.
